What Is Free Gas USA?

Free Gas USA, Inc. is a Kalamazoo, Michigan-based 501©(3) nonprofit corporation, established to provide gasoline grant assistance for needy individuals and families residing in the United States of America. Founded in 2008, Free Gas USA, Inc. partners with public, private, philanthropic and religious organizations to help resolve the daily transportation needs of low-income, elderly and disabled American consumers.

How Do I Apply For A Gasoline Grant?

In order to minimize corporate expenses and maximize grant awards, Free Gas USA does not distribute gasoline grant applications via United States mail. Therefore, grant applicants are encouraged to contact a human service agency, church or library to obtain a grant application. All applications must be submitted with an agency referral form or they will not be processed.

Applications are only distributed on our website at www.freegasusa.org.

How Much Are The Grants?

Free Gas USA provides gasoline grants in denominations ranging from \$50 to \$1200 dollars.

Are The Grants Restricted?

Yes. Grants are need-based and restricted to fuel purchases only. Recipients are assigned coded fuel cards thus limiting their purchases. Gasoline purchases are permitted to provide for basic necessities such as employment, educational and medical conveyances. Fuel acquisitions for grocery shopping is permitted and strongly encouraged.

When Are The Grants Awarded?

Gasoline grants are awarded monthly. Fuel cards are distributed based on donations received, geographical restrictions of funds processed and the location(s) of participating gasoline distributors.
